PLEASE NOTE:

This was a combined catalog where a dog entered in both specialties is represented by two lines preceding the dog's armband number. This is so that placements in each show can be recorded and compared. Where there is only one line, it means the dog is entered in either the independent show (9/14) or the national show (9/16-17), but NOT both.

REGULAR CLASSES - FRENCH BULLDOGS - 6-9 MOS. PUPPY DOGS.

WINNERS DOG: 167 141

RESERVE WINNERS DOG: 51 309

PLEASE NOTE:

This is a combined catalog where a dog entered in both specialties is represented by two lines preceding the dog's armband number. This is so that placements in each show can be recorded and compared.

Where there is only one line, it means the dog is entered in either the independent show (9/14) or the national show (9/16-17), but not BOTH.
